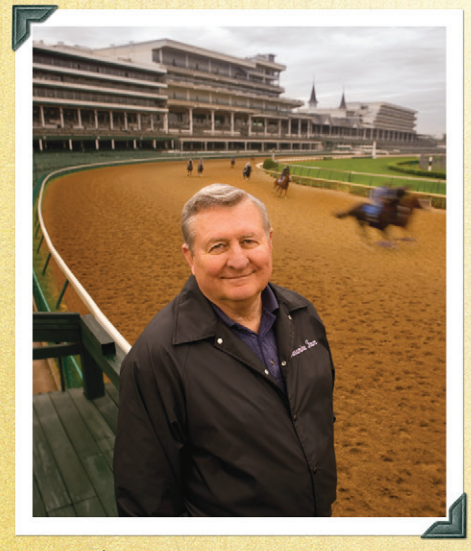
Devoted to creatures of nobility and grace.

Discipline in methods handed down for generations.

A crowning tradition. A promise fulfilled. A living legacy.

Now is the time. This is the way. You are the key.



Don Ball | Ball Homes

Don Ball, co-founder of Ball Homes, wanted to express his gratitude to the many people who work tirelessly with racehorses. People who work behind the scenes and are often overlooked by the industry. So he donated to the Kentucky Racing Health and Welfare Fund to create needed housing, health and retirement benefits. It was all done through the Homebuilding Community Foundation (HCF), which gives donors the freedom to decide when, where and how to give. It's the easiest way to help those you care about. Visit homebuilding.org or call 713.333.2200.

Put your money where your ♥ is.
